

Dear Elizabeth and Bill,

I am now going to Sweden on the 12th of this month, to spend Xmas with Karl Wilhelm and the New Year's holidays with Emma. I expect to be away about 3 weeks.

I do hope that you are both in good shape, and I send you my best season's greetings.

I am myself in good health, but otherwise my life is not what it has been until Annie left me one year ago. My great luck is that my children take good care of me, - and that I have plenty to do in Zug. I usually spend there 3 or 4 days every week. We have got involved quite a lot with electronics, and I only hope that

the results.

I have decided to keep my apartment here in Minsio, as the climate is much better here than in Sup, and as I am also getting along in years. But I am planning a smaller apartment in Sup, and I hope to be able to get rid of my Menton apartment - I have no longer any inducement to go there.

I now wish you all that is good, and I send you my affectionate regards.

Sincerely
Doris
